

## What to Plant and Where

<b>Planting for <i>coastal tolerance</i>:</b>	
Acacia karroo	Loxostylis alata
Ekebergia capensis	Kigelia Africana
Acacia xanthophlea	Meterosideros
Apodytes dimidiata	Olea africana
Brachylaena discolour	Nuxia floribunda
Buddleja saligna	Podocarpus spp.
Combretum erythrophyllum	Pittosporum viridiflorum
Erythrina lysistemon	Rapanea melanophloes
Ficus natalensis	Rhus lancea
Cussonia spicata	Rhus pendulina
Ficus rubiginosa	Sideroxylon inerme
Harpephyllum caffrum	Strelitzia nicolai
Halleria lucida	Syzigium cordatum
Dias cotonifolia	Hibiscus rosa-sinensis
Erythrina caffra	Syzigium cordatum
Diospyros whyteana	Sideroxylon inerme
Dovyalis caffra	Tarconanthus camphorates
Dombeya rotundifolia	Tecomaria capensis
Tarconanthus camphorates	Vepris lanceolata
Kiggelaria africana	

<b>Planting for <i>hedging/screening</i>:</b>	
Bougainvillea	Olea africana
Brachylaena discolour	Pittosporum viridiflorum
Buddleja saligna	Podocarpus falcatus
Callistemon endeavour	Podocarpus latifolius
Carissa macrcarpa	Rhus crenata
Cupressus leylandii	Rhus glauca
Curtisia dentata	Sideroxylon inerme
Diospyros whyteana	Syzigium paniculatum
Dodonea angustifolia	Tarconanthus camphorates
Dovyalis caffra	Tecomaria capensis
Halleria lucida	Viburnum sinensis
Kiggelaria africana	

<b>Planting for windbreaks:</b>	
Buddleja saligna	Populus simonii
Rhus glauca	Podocarpus latifolius
Callistemon endeavour	Brachylaena discolor
Carissa macrocarpa	Diospyros whyteana
Combretum erythrophyllum	Dodonea angustifolia
Cunonia capensis	Dovyalis caffra
Cupressus leylandii	Ficus natalensis
Strelitzia nicolai	Halleria lucida
Syzigium guineense	Kiggelaria africana
Ekebergia capensis	Olea africana
Tarconanthus camphoratus	Rapanea melanophloes
Vepris lanceolata	Rhus lancea
Nuxia floribunda	Rhus pendulina
Sideroxylon inerme	Syzigium cordatum
Pittosporum viridiflorum	Syzigium paniculatum

<b>Waterwise</b>	
Acacia karoo	Acacia galpinii
Lagunaria patersonii	Celtis sinensis
Acacia siberiana car. Woodii	Dias cotonifolia
Aloe spp.	Diospyros whyteana
Apodytes dimidiata	Ekebergia capensis
Carissa macrocarpa (shrub)	Erythrina lysistemon
Celtis africana	Ficus natalensis
Olea spp	Gardenia thunbergia
Pittosporum viridiflorum	Kiggelaria africana
Dovyalis caffra	Loxostylis alata
Sideroxylon inerme	Metrosideros angustifolia
Tarconanthus camphoratus	Phoenix reclinata
Strelitzia nicolai	Podocarpus falcatus
Ficus rubignosa	Syzigium cordatum
Olea africana	Trechilia emetica
Greyia sutherlandii	Trechilia emetica
Kigelia Africana	Washingtonia robusta
Halleria lucida	

<b>Swimming Pool</b>	
Acacia xanthophloea	Strelitzia
Olea spp	Viburnum sinensis

<b>Planting for Pot Plants:</b>	
Aloe spp.	Gardenia thunbergii
Bougainvillea	Olea africana
Citrus	Olea Mission etc
Cunonia capensis	Strelitzia nicolai
Cussonia spicata	Viburnum sinensis
Ficus spp	Washingtonia robusta

<b>Planting for <i>frost resistance</i>:</b>	
Acacia karoo	Loxostylis alata
Olea spp	Liquidamber styraciflua
Apodytes dimidiata	Acacia galpinii
Bauhinia tomentosa	Celtis africana
Betula pendulina	Celtis sinensis
Calodendron capense	Ceratonia siliqua
Celtis africana	Cupressus leylandii
Rapanea melanophloes	Ekebergia capensis
Rhus pendulina	Greyia sutherlandii
Combretum erythrophyllum	Kiggelaria africana
Schotia spp.	Oak spp.
Washingtonia robusta	Podocarpus henkelii
Ilex mitis	Populus simonii
Quercus nigra	Rhus lancea
Lagunaria patersonii	Rhus spp.

<b>Planting for <i>clay soil</i>:</b>	
Aloe bainesii	Ficus natalensis
Buddleja salvifolia (shrub)	Phoenix reclinata
Carissa macrocarpa (shrub)	Rapanea melanophloes
Celtis africana	Salix spp.
Combretum spp.	Trichelia emetica

<b>Planting for <i>harsh conditions</i>:</b>	
Acacia karoo	Dodonea angustifolia
Bauhinia tomentosa	Erythrina caffra
Brachylaena discolor	Euclea natalensis
Buddleja saligna	Eugenia capensis
Canthium inerme	Gardenia thunbergia
Carissa macrocarpa	Rhus lancea
Cussonia paniculata	Schotia brachypetala

<b>Planting for <i>rehabilitating rivers and disturbed soils in the Western Cape</i>:</b>	
Brachylaena neriifolia	Metrosideros angustifolia
Cunonia capensis	Olea africana
Curtisia dentata	Podocarpus latifolius
Ficus sur	Rapanea melanophloes
Freylinia lanceolata	Salix mucronata
Halleria lucida/elliptica	Tarconanthus camphorates
Ilex Mites	Trema orientalis
Kiggelaria africana	Virgilia oroboides
Maytenus heterophylla	

<b>Planting for <i>alkaline soil</i>:</b>	
Buddleja salvifolia	Aloe spp.

<b>Planting to attract birds:</b>	
Acacia siberiana woodii	Halleria lucida
Aloe spp.	Heteropyxis natalensis
Cassine spp.	Kigelia africana
Celtis spp	Kiggelaria africana
Citrus spp.	Nuxia floribunda
Dias cotonifolia	Olea africana
Diospyros whyteana	Pappea capensis
Dombeya spp.	Pittosporum viridiflorum
Ekebergia	Rhus spp.
Erythrina	Syzigium spp.
Ficus	

<b>Scented trees:</b>	
Spathodia campanulata	Virgilia oroboides
Tecomaria capensis (shrub)	

<b>Waterlogged areas</b>	
Liquidamber straciflua	Syzigium cordatum
Quercus nigra	Taxodium distichum
Salix mucronata
